# Why Buy NuKeeper NKU Range

VersaCare

## Designed in every way for demanding hotel cleaning regimes, tackling narrow corridors, heavy loads and the pressures of time sensitive public-space day cleaning… the NuKeeper Universal.

The Flexi-Front or Hard-Front options and heavy-duty Structofoam construction offer an easy-clean design, chemical-resistant and built to last. All models are equipped with All-Terrain (AT) soft ride castors, gliding over heavy-pile carpets even when carrying the heaviest of loads. Engineered from the highest quality recycled plastic, using environmentally sustainable ReFlo Technology.

### Limitless Configurations
Adapt standard model to suit specific needs with optional kits.

### Built to Last
Chemical-resistant, heavy-duty Structofoam construction for easy-clean design.

### Sustainably Engineered
Made from high-quality recycled plastic using ReFlo Technology.

### Increases Productivity
Customisable design providing a number of storage facilities.

### Total Uniformity
Provides professional approach to integrated system planning.
